

Dear _____,

Thank you for the confidence that you showed in us with your recent visit to our office for your exam.

**We are pleased to inform you that the results of your recent _____
on _____ were normal.**

Regular physical examination is essential to your total health and well-being. Our goal is to provide you with the necessary care to detect possible problems, prevent disease and maintain your good health.

Please feel free to contact us at (951) 827-7961 if you have any questions about your test results.
