

Dear _____,

Thank you for the confidence that you showed in us with your recent visit to our office for your exam.

We are pleased to inform you that the results of your Pap test on _____ were normal.

Regular physical examination is essential to your total health and well-being. Our goal is to provide you with the necessary care to detect possible problems, prevent disease and maintain your good health.

Please feel free to contact us at (951) 827-7961 if you have any questions about your test results.
